Katie called the meeting to order 8:42 pm with a welcome to everyone.

Treasurer's Report

Treasure reported a balance of \$4511.24.

Club membership dues are needed by March 2024. The new annual membership fee is \$20.

Old Business

Honey extractor

The club is still looking for a honey extractor.

Bee School

Bee School is in progress and going well with 13 enrolled. Any extra funds were approved to be used by the club. If any member has bees they want to sell to students please contact Travis Dezarn with estimated delivery time, number of units and cost.

2023 Speaker Payment

A speaker from last year (2023) still needs to be paid and the club agreed to pay from the 2024 budget.

New Business

Communication

The need for better communication within the club was brought up for discussion. At the next meeting the club will hear suggested methods of communication that are not costly but effective for most participating members.

Next Meeting

Tuesday March 12, 2024. Speaker to be determined.
